Cllr Winters disagreed with other members’ interpretation of the letter that a P3 representative was not required. It was agreed to write to Kate Day to request clarification of how matters are to be reported and what the Parish Council’s role is. Cllr Winters proposed that the following was included in the letter because he wants to check the cutting of the footpaths: “Could I have the dates the footpaths are due to be cut, so that I can inspect them afterwards or preferably the same day. As the main complaints by parishioners is the fact that the rights of the footpaths are not being preserved due to poor maintenance. The footpaths are not cut short enough.” Cllr BL Taylor seconded. Council approved. It was pointed out that the Council could apply for P3 again next year.
