9/09 PLAY AREAS – Update on current status

The Play Area Annual Reports were received and a summary of work recommendations were considered. In most parts the handyman can carry out the maintenance and checks in his normal duties. The following matters were to be referred to Full Council for consideration:

1. **Little Downham**
 - Rub down slats and treat the picnic table and seats
 - Replace Log World net as soon as possible
 - Additional slabs be considered at the gate to reduce slip or trip hazards
2. **Pymoor**
 - Replace see-saw skirt as soon as possible – It was noted that the handyman has the kit to do it but cannot get access to under the see-saw.
 - Replacement of carousel footboards. Cllr Winters suggested anti-slip board. He will take a look at the carousel next week.

There being no further business, the meeting was closed at 7.40pm.
